PROJECT DEVELOPMENT CONSTRUCTION MANAGEMENT

- **\$2 billion program reduction**
 - 808 projects cut from FY 09-14 Program
- **Long-term structural change needed**
 - Shift to strong project management at the districts
 - Scale staffing to program size
 - Full project development services (maintenance and construction)
- **Staffing Impacts**
 - Reduce project development staff by approximately 25%
 - Reduce construction inspection staff by approximately 22%
 - Balancing workload (between districts and with private sector)
- **Consolidate material labs to 3 locations**
- **Anticipated staff reductions – 430**

GENERAL ADMINISTRATION

CENTRAL OFFICE and STATEWIDE BUSINESS SUPPORT

- **Consolidate Central Office to 22 divisions from 31**
- **Consolidate business support services in field and Central Office**
 - Human Resources
 - Payroll
 - Employee Safety
 - Inventory
 - Procurement
- **Implement new technology to improve efficiency**
- **Dulles Toll Road transfer in December 2009**
- **Anticipated staff reductions – 415**

BLUEPRINT IMPLEMENTATION

- Begin in March
- Estimated reductions:
 - 1,000 full-time classified employees
 - 450 wage employees
- Staffing from 8,400 in September 2008 to 7,500 by July 2010
- Capitalize on continuing retirements and attrition to achieve reductions

STAFFING STRATEGIES

SINCE SEPTEMBER 2006

- **Staff ceiling of 6 percent vacancy rate from authorized complement**
- **Critical hire process and freeze to manage vacancies - 09/2008**
 - Classified employment has dropped from 8,464 (09/08) to 8,330 (02/09)
 - ***May create placement options for involuntarily separated employees***
- **Monitor attrition rate by functional areas**
 - Attrition rate has slowed
- **Invoke DHRM Involuntary Layoff Policy 1.30 and 1.57 Severance Benefits to achieve balance of new staffing levels and organizational structure**

STAFFING STRATEGIES

- **DHRM Involuntary Layoff Policy 1.30 and process is based on:**
 - **Definition of work units**
 - **Identification of impacted roles**
 - **Seniority of employees within impacted roles and work units used to determine**
 - Which positions are eliminated
 - The order of placement options offered
- **The substitution rule of DHRM's Policy 1.30 which has not been widely used at VDOT allows:**
 - More senior employees of the impacted work unit or role, or employees outside the work unit doing same or similar work to substitute for an impacted employee who has been given notice of layoff
- **Centrally manage the match of substitutes during the layoff process**

BLUEPRINT FINAL THOUGHTS

- **The plan will change as we move forward**
- **Implementation completed in 18 months**
- **No function or service remains off the table**

VDOT in 2010

Plan, deliver, operate and maintain a transportation system that is safe, enables the easy movement of people and goods, enhances the economy, and improves the quality of life.

- **Focused** –
 - Mission centered on maintenance, operations and emergency response
 - Integrated Program Planning and Project Development – “Project is a Project”
 - A tightened and universal General Administration.
- **Scaled Services** –
 - first priority to the highway network that connects people and places of the Commonwealth
 - serves 85% of users and where the majority of crashes occur
- **A Business** –
 - That values, integrates and streamlines partnerships
 - does not replicate every function and service throughout VDOT’s organization
- **Driven by** -
 - rapid deployment of research, technology, and training to ensure best and consistent practices and services
- **Recognizes**
 - that construction funding will be focused on safety, reconstruction and bridge replacement
 - major new construction being episodic
- **An Agency**
 - that will be smaller, providing its services differently and proportioned differently.
