### RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD

March 16, 2011

#### MOTION

Made By: Mr. Layne      Seconded By: Dr. Davis

Action: Motion Carried, Unanimously

**Title: Revisions to Rules and Regulations Governing the Transportation of Hazardous Materials Through Bridge-Tunnel Facilities (24 VAC 30-61)**

**WHEREAS**, the *Rules and Regulations Governing the Transportation of Hazardous Materials through Bridge-Tunnel Facilities (24 VAC 30-61)* is an Administrative Process Act-subject regulation that sets forth the rules for transporting hazardous materials through state-owned bridge-tunnel facilities; and

**WHEREAS**, under authority granted by §§ 33.1-12 (3) and 33.1-49 of the *Code of Virginia*, the Commonwealth Transportation Board previously adopted the regulations in their current format on September 21, 1995; and

**WHEREAS**, pursuant to Executive Order Number 107 (09), which was subsequently superseded by Executive Order 14 (10), the Virginia Department of Transportation (VDOT) conducted a review to determine whether the regulations should be amended or retained as written, and found that minor, non-substantive amendments are necessary to update, correct, and clarify the regulations.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board amends its resolution of September 21, 1995, and adopts the amended *Rules and Regulations Governing the Transportation of Hazardous Materials through Bridge-Tunnel Facilities (24 VAC 30-61)*, attached herein; and

**BE IT FURTHER RESOLVED**, that the effective date of the regulatory action approved herein shall be as provided for by the regulatory submission requirements established by the *Code of Virginia*, Executive Order 14 (10), and the State Registrar of Regulations.
