*Agenda item # 1*

**RESOLUTION  
OF THE  
COMMONWEALTH TRANSPORTATION BOARD  
March 18, 2015  
MOTION**

**Made By: Mr. Garczynski, Seconded By: Mr. Kasprovicz**

**Action: Motion Carried, Unanimously**

**Title: Transfer to the Secondary System of Highways Frontage Road F-915 Located in Fairfax County, Running Parallel to U.S. Route 29**

**WHEREAS**, Frontage Roads are constructed in conjunction with limited access highways to preserve service to properties that would otherwise be deprived of access to a public road; and

**WHEREAS**, Frontage Road F-915 was constructed to provide access to lots that would otherwise have been landlocked by the limited access of U.S. Route 29 in Fairfax County; and

**WHEREAS**, the developer of an adjacent commercial property has built an additional 0.05 of a mile extension, Route 2586, onto the end of Frontage Road F-915 in order to provide access to the commercial development, thereby eliminating the need for Frontage Road F-915; and

**WHEREAS**, the Board of Supervisors of Fairfax County has requested that the Virginia Department of Transportation (VDOT) add Route 2586 to the secondary system of Fairfax County; and

**WHEREAS**, VDOT recommends the road be transferred from the primary system of state highways to the secondary system of state highways.

**NOW, THEREFORE, BE IT RESOLVED**, pursuant to § 33.2-315 of the *Code of Virginia*, the Board hereby orders the transfer of Frontage Road F-915 from the Primary System of Highways to the Secondary System of Highways, a distance of approximately 0.10 of a mile.
