Unpaved Road Funding

- **Historically funds dedicated for paving unpaved roads**
- **For use within each county on unpaved roads carrying more than 50 vehicles per day**
- **When the secondary system of highways was established in 1932, VDOT accepted nearly 34,000 miles of unpaved roads**
- **Today, our unpaved road inventory is approximately 6,850 miles based on efforts to pave these roads**

Unpaved Road Mileage by District

Unpaved Road Funding Through 2020

- **Currently, CTB Formula provides a 5% set aside for unpaved roads**
- **Each County with qualifying roads will receive an allocation**
- **Distribution based on ratio of miles of eligible unpaved roads with traffic count >50vpd**

Unpaved Road Funding Starting in 2021

- **Once the Alternate CTB Formula expires in 2020, unpaved road funds will be distributed based on § 33.2-359**
- **The CTB shall allocate a share of the Construction District Grant Program funding, up to \$25 million, to unpaved roads**
- **Distribution will still be based on the ratio of miles of eligible unpaved roads with traffic count >50vpd**
