

FY 2020 Primary Extensions Paving & High Volume Unpaved Roads Local Programs Update

 Julie R. Brown, Local Assistance Division

April 9, 2019

FY20 Primary Extensions & High Volume Unpaved Roads

Board approved resolution to establish programs in June 2014

Funding Programs		Proposed Budget
Primary Extensions	SGR Locality Paving (Proposed FY20 Budget)	\$3.3 M
	SGR (Previous Years Recon)	\$2.9 M
	CTB Formula (Proposed FY20 Budget)	\$14.8 M
	CTB Formula (Previous Years Recon)	\$1.2 M
High Volume Unpaved	CTB Formula (Proposed FY20 Budget)	\$2.0 M
	Previous Years Allocations	\$ 0 M

Primary Extensions Program Criteria

- **Accept applications on an annual basis to support pavement overlay, rehabilitation, or reconstruction projects**
 - **Maximum request of \$1M per locality, per year**
 - **Roadway must have Combined Condition Index (CCI) rating of less than 60**
 - **Projects must be advertised within 6 months of allocation**
 - **Maintenance of Effort Certification required**
- **Prioritize projects for funding based on technical score that considers pavement condition, traffic volume, and past expenditures**
 - **Pavement condition (CCI) – 45%**
 - **On the National Highway System (NHS) – 10%**
 - **Traffic volume – 30%**
 - **Prior expenditures – 15%**
- **Same criteria used to select projects for CTB Formula and State of Good Repair funding**
- **FY20 is the last year these projects will receive an exception to the federal process**

FY19 Applications: General Information

- **Call for applications on November 1, 2018**
- **All applications due by January 7, 2019**
- **Second year applications were entered using VDOT's Smart Portal**
- **Scored 122 applications with requests over \$30.3M**
- **Applications received from 45 localities representing all 9 districts**
- **Funding for locality's primary extensions available from both State of Good Repair (SGR) funds and CTB formula funds**
- **Prioritized and selected primary extension projects using SGR funds first followed by the CTB formula funds**
- **84 total paving projects will tentatively receive funding representing 35 localities**

State of Good Repair (SGR) Funding for Primary Extensions

- Each District has a set percentage of SGR funding dedicated to Locality pavement projects
- \$6.2M estimated available for FY20 local SGR pavement projects (Primary Extension)
- Recommend funding projects in priority order until funding exhausted; based on current estimates this will:
 - Fully fund 22 local paving projects
 - Partially fund 9 local paving projects

(Note: The 9 partially funded projects were also reviewed for CTB Formula Funding)

CTB Formula Funding for Primary Extensions

- **Set aside of 14% of CTB formula funds for pavement designated for municipality maintained primary extensions**
 - **\$15.9M available**
 - **Recommend funding projects in priority order until funding exhausted; based on current estimated CTB formula funds this will:**
 - **Fully funding the top 61 scoring remaining applications which includes 9 carryovers from SGR (Funds all remaining applications with total scores of 42.7 and above)**
 - **Partially funded 1 project with a score of 42.2**
- **Localities in all 9 districts receive additional funding**

High Volume Unpaved Roads Program Criteria

- **Accept applications on an annual basis to provide supplemental funding for providing a hard-surface on high volume unpaved roads**
 - Roadway must be an unpaved road carrying over 500 vehicles per day
 - Project must be in the County's approved Secondary System Six-Year Improvement Program
 - The Maximum allocation per county is \$500,000 (per approved policy in March)
- **Scoring is on a statewide competitive basis using the following criteria:**
 - Higher volume routes – 20%
 - Engineering complete and necessary right of way secured – 20%
 - Readiness for Construction – 15%
 - Additional local funds allocated – 15%
 - Project addresses identified safety issues – 15%
 - Direct access to schools/community/public service facilities – 15%

FY20 Applications: General Information

- Call for applications on January 28, 2019
- All applications were due by March 29, 2019
- Applications received from 3 localities representing Bristol, Northern Virginia, and Hampton Roads Districts with requests of \$1.5M

*High Volume Unpaved Roads Program funding will sunset following FY20 allocations

High Volume Unpaved Road Program – Tentative Projects

• Isle of Wight County, Route 638	\$500,000
• Loudoun County, Route 613	\$500,000
• Wythe County, Route 619	\$500,000
TOTAL REQUESTS:	\$1,500,000

Timeline/Next Steps

- **April 9, 2019 – Tentative FY20 selections presented to CTB and later posted on webpage**
- **May 15, 2019 – Final FY20 selections / allocations approved by CTB**
- **July 1st – FY20 Funds available**

Tentative

- **Late 2019 – FY21 Call for Applications**
- **Jan/Feb 2020 – FY21 Applications due**

FY 2020 Primary Extensions Paving & High Volume Unpaved Roads Local Programs Update
