## CTB Decision Brief

### Abandonment of Portion of Route F-287 Located in Prince William County

**Issue:** An adjacent landowner has requested the abandonment of a 0.2 mile segment of Route F-287 in Prince William County and the County Board of Supervisors supports the abandonment and its approval by the Commonwealth Transportation Board (Board).

**Facts:** A segment of Route F-287 in Prince William County, a distance of 0.2 mile, is no longer necessary as a public road. This matter is being considered at the request of Bull Run Preserve, Inc., an adjacent property owner, for the purpose of controlling vehicular access to better protect the Beverley Mill.

The Prince William County Director of Transportation has provided a letter of support, dated February 26, 2021 (Exhibit A, attached), indicating the Prince William County Board of Supervisors' support of the abandonment of a 0.2 mile portion of Route F-287 (segment identified in "Blue" on Exhibit B, attached).

Upon review of the area, VDOT staff determined the 0.2 mile portion should be abandoned as a part of the Primary System of State Highways, pursuant to § 33.2-902 of the *Code of Virginia*, since no public necessity exists for the continuance of the segment as a public road.

Pursuant to and in accordance with § 33.2-902 of the *Code of Virginia*, VDOT published a "Notice of Intent to Abandon" in the *Washington Post* publication on December 17 and 24, 2020 (Exhibit C, attached). No requests for public hearing were submitted during the requisite 30-day timeframe.

**Recommendations:** VDOT recommends the Commonwealth Transportation Board approve the abandonment of the 0.2 mile portion of Route F-287 referenced above.

**Action Required by CTB:** The *Code of Virginia* requires a majority of the Board's members to approve the change proposed in this brief within four months of the end of the 30-day period after publication of the notice of intent to abandon. A letter of support describing the proposed segment to be abandoned is provided for the Board's consideration.

**Result if Approved:** If approved, VDOT will suspend all its maintenance activity on the roadway segment.

**Options:** Approve or Deny

**Public Comments/Reactions:** A public hearing was not requested during the requisite timeframe.

RE: Abandonment of a Segment of Route F-287, Beverley Mill Road

Dear Mr. Burke:

Prince William County and the Virginia Department of Transportation received a petition from an interested landowner to abandon a portion of Route F-287. This proposed abandonment involves the 0.2 mile segment of Route F-287, also known as Beverley Mill Road, at the western end of the road (see attached sketch for abandonment location).

Bull Run Preserve, Inc. is seeking the abandonment of the road so that they can proceed with acquiring the right-of-way. This will allow Bull Run Preserve to better protect the Mill by controlling public access.

In my capacity as the Prince William County Director of Transportation and on behalf of the Prince William Board of Supervisors, the County supports this 0.2 mile abandonment of a portion of Route F-287 pursuant to §33.2-902 of the Code of Virginia, agreeing that no public necessity exists for the continuance of this section of road as a public highway.

If you have any questions related to this abandonment, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ricardo Canizales".
