### RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD

October 15, 2025

#### MOTION

Made By: Dr. Smoot, Seconded By: Mr. Fowlkes  
Action: Motion Carried, Unanimously

#### Limited Access Control Changes (LACCs) for I-81 Corridor Improvement Program (CIP) Exit 143 to Exit 150 Improvements Roanoke and Botetourt counties

**WHEREAS**, on October 4, 1956, the State Highway Commission, predecessor to the Commonwealth Transportation Board (CTB), designated the Interstate Highway System, including Interstate 81, to be Limited Access Highways in accordance with then Article 3, Chapter 1, Title 33 of the 1950 *Code of Virginia*, as amended, and established the limited access line locations and limits as “the final locations of said routes, including all necessary grade separations, interchanges, ramps, etc.”; and

**WHEREAS**, on April 24, 1958, the State Highway Commission approved the proposed location of Interstate Highway, Route 81, projects 0081-080 and 0081-011, from the intersection of Route 11 at Glenvar to 1.0 mile north of Route 606 north of Troutville, in Botetourt and Roanoke Counties, in accordance with the location shown and designated on the map entitled, “Proposed Interstate Highway Development, from intersection Route 11 at Glenvar south of Salem to 1.0 mile north Route 606, Interstate Route 81”; and

**WHEREAS**, on December 17, 1970, the State Highway Commission approved LACCs for State Project 0220-011-101, PE-101, C-502, and RW-201, in accordance with the design plans as proposed and presented for said project; and

**WHEREAS**, on June 8, 1972, the State Highway Commission approved a contract award for State Project 0081-011-106, PE-101, C-501, with LACCs in accordance with the design plans for said project; and

**WHEREAS**, on February 16, 1984, the State Highway and Transportation Commission, predecessor to the CTB, approved the location and major design features of State Highway Project 0081-011-111, C-501 for the modification of the Interstate 81/220 interchange, with LACCs and right of way lines in accordance with the design plans for said project; and

**WHEREAS**, on May 21, 1987, the CTB approved the location and major design features of State Project 0081-011-114, C-501 for the expansion of the Truck Weighing Station on Interstate 81, 2.5 miles south of Troutville, in Botetourt County, with LACCs and right of way lines in accordance with the design plans for said project; and

**WHEREAS**, on July 18, 2012, the CTB approved LACCs for State Highway Project 0081-011-120, P-102, R-202, C-502, in accordance with the design plans for said project; and

**WHEREAS**, State Highway Project 0081-080-947, PE-101, RW-201, C-501, B601, B602, B603, B604, B605, B-696, B-698, B-699 (UPC# 116201 or the “Project”) is part of the Interstate 81 CIP to provide safety and capacity enhancements. The Project provides for the widening of Interstate 81 from two lanes to three lanes in each direction, (northbound and southbound) to include median barrier, stormwater management facilities, soundwalls, and the replacement of eight mainline bridges, and structural repairs of one overpass at Plantation Road, to address safety and congestion issues; and

**WHEREAS**, the Project requires adjustments of the limited access line to accommodate the Interstate 81 widening improvements, construction of stormwater management facilities and soundwalls, and improvements to the interchange at Exit 150, as shown on the Limited Access Line Exhibits and the Limited Access Control Point Stations and Offsets Table (attached); and

**WHEREAS**, a design public hearing (“Hearing”) was held for the Project, including the current and proposed locations of the limited access lines, on September 19, 2023, between 5:00 pm and 7:00 pm at Lord Botetourt High School, 1435 Roanoke Road, Daleville, VA 24083, and allowed public input to be collected concerning the request; and

**WHEREAS**, proper notice of the Hearing was given in advance, and all those present were given a full opportunity to express their opinions and recommendations for or against the Project as presented, their statements being duly recorded; and

**WHEREAS**, the economic, social and environmental effects of the Project have been duly examined and given proper consideration and this evidence, along with all other relevant evidence, has been carefully reviewed; and

Resolution of the Board

I-81 CIP Exit 143 to Exit 150 Improvements  
Roanoke and Botetourt Counties  
October 15, 2025  
Page 3 of 3

**WHEREAS**, VDOT's Salem District Office has reviewed and approved the Interchange Access Report on November 22, 2023, and found that it adequately addresses the impacts from the Project and the proposed LACCs; and

**WHEREAS**, the Project is in compliance with National Environmental Policy Act requirements, and a categorical exclusion was prepared under an agreement between VDOT and the Federal Highway Administration (FHWA) and approved on May 12, 2023; and

**WHEREAS**, the Project is located within an attainment area for all National Ambient Air Quality Standards and will not have an adverse impact on air quality, with an air determination date of December 22, 2021; and

**WHEREAS**, the Project is in Roanoke and Botetourt counties, and the proposed design features and LACCs are supported by resolutions from the county boards dated August 19th, 2025, and August 26th, 2025, respectively; and

**WHEREAS**, FHWA approved the Project and the proposed LACCs on September 25, 2025; and

**WHEREAS**, VDOT's Chief Engineer has determined that the proposed LACCs will not adversely affect the safety or operation of the highways; and

**WHEREAS**, VDOT has reviewed the requested LACCs and determined that all are in compliance with Va. Code § 33.2-401 and that the requirements of 24 VAC 30-401-20 have been met; and

**WHEREAS**, VDOT recommends approval of the LACCs as shown on the Limited Access Line Exhibits and the Limited Access Control Point Stations and Offsets Table (attached).

**NOW, THEREFORE, BE IT RESOLVED**, in accordance with Va. Code § 33.2-401 and 24 VAC 30-401-10 *et seq.*, that the CTB hereby finds and concurs in the determinations and recommendations of the VDOT made herein, and directs that Interstate81 continue to be designated as a limited access control facility, with the boundaries of limited access control being modified from the current locations as shown on the Limited Access Line Exhibits and the Limited Access Control Point Stations and Offsets Table (attached).

**BE IT FURTHER RESOLVED**, the Commissioner of Highways is authorized to take all actions and execute any and all documents necessary to implement the LACCs described herein.

**CTB Decision Brief**

**Proposed Limited Access Control Changes (LACCs)**

**I-81 Corridor Improvement Program (CIP) Exit 143 to Exit 150 Improvements**

**Project 0081-080-947, PE-101, RW-201, C-501, B601, B602, B603, B604, B605, B-696, B-**

**698, B-699**

**UPC# 116201**

**Roanoke and Botetourt Counties**

**Issues:** The area designated as limited access previously approved for Interstate 81 needs to be modified to accommodate the proposed widening from Exit 143 to Exit 150, various outfall improvements along the corridor, and interchange improvements at Exit 150. These changes require the approval of the Commonwealth Transportation Board (CTB) pursuant to Va. Code § 33.2-401 and 24 VAC 30-401-10 *et seq.*

**Facts:**

- Limited access control for Interstate 81 was previously established on October 4, 1956, by the State Highway Commission, predecessor to the CTB, designating the Interstate Highway System, including Interstate 81, to be Limited Access Highways in accordance with then Article 3, Chapter 1, Title 33 of the 1950 Code of Virginia, as amended, and established the limited access line locations and limits as “the final locations of said routes, including all necessary grade separations, interchanges, ramps, etc.”.
- On April 24, 1958, the State Highway Commission approved the proposed location of Interstate Highway, Route 81, projects 0081-080 and 0081-011, from the intersection of Route 11 at Glenvar to 1.0 mile north of Route 606 north of Troutville, in Botetourt and Roanoke Counties, in accordance with the location shown and designated on the map entitled, “Proposed Interstate Highway Development, from intersection Route 11 at Glenvar south of Salem to 1.0 mile north Route 606, Interstate Route 81.”
- On December 17, 1970, the State Highway Commission approved LACCs for State Project 0220-011-101, PE-101, C-502, RW-201, in accordance with the design plans as proposed and presented for said project.
- On June 8, 1972, the State Highway Commission approved a contract award for State Project 0081-011-106, PE-101, C-501, with LACCs in accordance with the design plans for said project.
- On February 16, 1984, the State Highway and Transportation Commission, predecessor to the CTB, approved the location and major design features of State Highway Project 0081-011-111, C-501 for the modification of the Interstate 81/220 interchange, with LACCs and right of way lines in accordance with the design plans for said project.

Proposed Limited Access Control Changes  
I-81 CIP Exit 143 to Exit 150 Improvements  
Roanoke and Botetourt Counties  
October 15, 2025  
Page 2 of 3

- On May 21, 1987, the CTB approved the location and major design features of State Project 0081-011-114, C-501 for the expansion of the Truck Weighing Station on Interstate 81, 2.5 miles south of Troutville, in Botetourt County, with LACCs and right of way lines in accordance with the design plans for said project.
- On July 18, 2012, the CTB approved LACCs for State Highway Project 0081-011-120, P-102, R-202, C-502, in accordance with the design plans for said project.
- State Highway Project 0081-080-947, PE-101, RW-201, C-501, B601, B602, B603, B604, B605, B-696, B-698, B-699 (UPC# 116201 or the “Project”) is part of the Interstate 81 CIP to provide safety and capacity enhancements. The Project provides for the widening of Interstate 81 from two lanes to three lanes in each direction, (northbound and southbound) to include median barrier, stormwater management facilities, soundwalls, and the replacement of eight mainline bridges, and structural repairs of one overpass at Plantation Road, to address safety and congestion issues. These improvements will impact the existing limited access control lines, as shown on the Limited Access Line Exhibits and the Limited Access Control Point Stations and Offsets Table (attached).
- The Virginia Department of Transportation (VDOT) held a design public hearing (“Hearing”) for the Project, including the current and proposed locations of the limited access lines, on September 19, 2023, between 5:00 pm and 7:00 pm at Lord Botetourt High School, 1435 Roanoke Road, Daleville, VA 24083, and allowed public input to be collected concerning the request.
- Proper notice of the Hearing was given in advance, and all those present were given a full opportunity to express their opinions and recommendations for or against the Project as presented, their statements being duly recorded.
- The economic, social, and environmental effects of the Project have been duly examined and given proper consideration and this evidence, along with all other relevant evidence, has been carefully reviewed.
- VDOT’s Salem District Office has reviewed and approved the Interchange Access Report on November 22, 2023, and found that it adequately addresses the impacts from the Project and the proposed LACCs.
- The Project is in compliance with National Environmental Policy Act requirements and a categorical exclusion was prepared under an agreement between VDOT and the Federal Highway Administration (FHWA) as approved on May 12, 2023.
- The Project is located within an attainment area for all National Ambient Air Quality Standards and will not have an adverse impact on air quality, with an air determination date of December 22, 2021.

CTB Decision Brief

Proposed Limited Access Control Changes  
I-81 CIP Exit 143 to Exit 150 Improvements  
Roanoke and Botetourt Counties  
October 15, 2025  
Page 3 of 3

- The Project is in Roanoke and Botetourt counties, and the proposed design features and LACCs are supported by resolutions from the county boards dated August 19<sup>th</sup>, 2025, and August 26<sup>th</sup>, 2025, respectively (attached).
- FHWA approved the Project and the proposed LACCs on September 25, 2025.
- VDOT's Chief Engineer has determined that the proposed LACCs will not adversely affect the safety or operation of the highways.
- The proposed LACCs are in compliance with Va. Code § 33.2-401 and with the policies and requirements of the CTB contained in 24 VAC 30-401-10 *et seq.*

**Recommendations:** VDOT recommends, pursuant to Va. Code § 33.2-401 and 24 VAC 30-401-10 *et seq.*, that the Interstate 81 corridor continue to be designated as a Limited Access Highway with the LACCs modified and/or established as shown on the Limited Access Line Exhibits and the Limited Access Control Point Stations and Offsets Table (attached). This action will modify the limited access line and right of way originally approved by the CTB's predecessor, the State Highway Commission, on October 4, 1956, and as subsequently modified.

**Action Required by CTB:** Va. Code § 33.2-401 and 24 VAC 30-401-10 *et seq.* require a majority vote of the CTB to approve the recommended LACCs. The CTB will be presented with a resolution for a formal vote to approve the LACCs for the Project and to provide the Commissioner of Highways the requisite authority to execute all documents necessary to implement the LACCs.

**Result, if Approved:** The Commissioner of Highways will be authorized to execute any and all documents needed to comply with the resolution, and the Project will move forward.

**Options:** Approve, Deny, or Defer.

**Public Comments/Reactions:** There were one hundred seventy-two (172) attendees, including project staff, at the Hearing. A total of seventy-four (74) comments were received during the comment period.

Subject: Approval of Limited Access Control Changes (LACCs) for the I-81 CIP Exit 143 to Exit 150 Improvements Project in Roanoke and Botetourt Counties

Dear Commonwealth Transportation Board Members:

The Department has initiated the above request for LACCs for your consideration. The proposed LACCs on State Highway Project 0081-080-947, P101, R201, C501, B601, B602, B603, B604, B605, B-696, B-698, B-699, (UPC# 116201) have been determined as a necessary design feature and recommended for approval by the Department's staff.

I have reviewed the staff's recommendations and determined that approving these LACCs will not adversely affect the safety or operation of the affected highway network. I have determined that this request should be considered by the Board.

Sincerely,

Signed by:

Minutes of the Meeting of the State Highway  
Commission of Virginia, held in  
Richmond  
October 4, 1956

The Commission met in the Central Office Building, Richmond, Virginia, at 9:00 A.M., Thursday, October 4, 1956. The following members were present: Messrs. E. P. Barrow, S. S. Flythe, S. D. May, Burgess E. Nelson, Mr. A. Wright and J. A. Anderson.

The meeting was called to order by the Chairman.

The Chairman read a letter from Mr. Howard C. Rogers stating that he would not be able to attend because of illness.

On motion made and seconded, the minutes of the August 9-10 meeting were approved.

Moved by Mr. May, seconded by Mr. Barrow, that the permits issued from the August 9-10 meeting to date, inclusive, as recorded in the Auditing Division, be approved. Motion carried.

Moved by Mr. May, seconded by Mr. Barrow, that the permits cancelled by the Commissioner from the August 9-10 meeting to date, inclusive, as authorized June 25, 1947, and recorded in the Auditing Division, be approved. Motion carried.

Moved by Senator Nelson, seconded by Senator Wright, that the Commission confirm award of contract on bids received August 15 for the construction of Project 1587-15-18, Route 615, Bridge and Approaches Three Creek, Southampton County, to the low bidder, Norfolk Contracting Co., Norfolk, Va., at the bid of \$102,949.41, that 10% additional be set aside to cover the cost of engineering and additional work and \$1,064.54 for work by the A. & D. Railroad, making a total of approximately \$114,500.00 chargeable to this project; to be financed 50/50 State and Federal. Motion carried.

Moved by Senator Wright, seconded by Mr. Barrow, that the Commission confirm award of contract on bids received August 15 for the construction of Project 1307-24, Route 600, S. End of Bridge over Claytong Mill Creek-0.664 Mile N. Rockbridge County Line, Augusta County, to the low bidder, Hobols Brothers, Inc., Staunton, Va., at the bid of \$67,435.15 and that 10% additional be set aside to cover the cost of engineering and additional work, making a total of approximately \$74,100.00 chargeable to this project; to be financed 50/50 State and Federal. Motion carried.

Moved by Mr. Barrow, seconded by Mr. Flythe, that the Commission confirm award of contract on bids received August 15 for the construction of Project 1581-10, Routes 661, 640, 0.01 Miles E. of W. Int. Route 661, (E. of Pissaro)-Franklin County Line, Floyd County, to the low bidder, D. E. Worley Construction Co., Rocky Mount, Va., at the bid of \$227,865.70, that 10% additional be set aside to cover the cost of engineering and additional work and \$1,226.50 for work by State Forces (not included in contract), making a total of approximately \$241,900.00 chargeable to this project; to be financed with \$71,580.00 State and \$70,520.00 Federal Funds. Motion carried.

Moved by Mr. Flythe, seconded by Senator Nelson, that, Whereas, under authority of Section 33-115.2 of the 1950 Code of Virginia, as amended, request is made by City of Warwick for payment at the base rate of \$300 per Mile annually on additional streets meeting the required standards; Now, Therefore, be it resolved, that quarterly payments at the base rate of \$300 Per Mile annually be made to the City of Warwick on additional streets totaling 11.20 miles, effective beginning the second quarter, October 1, 1956. Motion carried.

Moved by Mr. Flythe, seconded by Senator Nelson, that, Whereas, under authority of Section 33-115.2 of the 1950 Code of Virginia, as amended, request is made by City of Waynesboro for payment at the base rate of \$300 per Mile annually on additional streets meeting the required standards; Now, Therefore, be it resolved, that quarterly payments at the base rate of \$300 Per Mile annually be made to the City of Waynesboro on additional streets totaling 10.512 miles, effective beginning the second quarter, October 1, 1956. Motion carried.

Moved by Mr. Flythe, seconded by Senator Nelson, that, Whereas, under authority of Section 33-115.2 of the 1950 Code of Virginia, as amended, request is made by the Town of Wytheville for payment at the base rate of \$300 Per Mile annually on additional streets meeting the required standards; Now, Therefore, be it resolved, that quarterly payments at the base rate of \$300 Per Mile annually be made to the Town of Wytheville on additional streets totaling 0.994 Mile, effective beginning the second quarter, October 1, 1956. Motion carried.

Moved by Mr. Flythe, seconded by Senator Nelson, that, it so be declared that, Whereas, by action of the Congress of the United States, whereby all routes on the National System of Interstate and Defense Highways are to be constructed to interstate standards and whereas, one of the requirements of interstate standards is the control of access to these routes; Therefore, be it resolved that all routes on the National System of Interstate and Defense Highways within the confines of the Commonwealth of Virginia, upon determining the final location of said routes, including all necessary grade separations, interchanges, ramps, etc., are here and now designated Limited Access Highways, pursuant to Article 5, Chapter 1, Title 33, of the Code of Virginia of 1950, as amended. Motion carried.

On motion made by Senator Nelson, seconded by Mr. Barrow, the Chairman was instructed to report to the Bureau of Public Roads, at a meeting called for October 9, that the Virginia Department of Highways will undertake one-third of the cost of operation and maintenance of the proposed bridge over the Potomac River at Jones Point, with the thought that the other two-thirds shall be borne by the State of Maryland and the District of Columbia. This could be handled by written agreement looking to appropriate Federal legislation.

Minutes of the Meeting of the State Highway  
Commission of Virginia, Held in  
Richmond, April 24th, 1958.

The Commission, on call of the chairman, met in the Central Highway Office Building at 9:00 A.M., Thursday, April 24th. The meeting was scheduled in order to consider the allocation of additional Federal Aid funds made available by the Congress of the United States, which Act was signed by the President on April 15th.

Present were Messrs. E. P. Barrow, G. Wallace Carper, S. S. Flythe, S. D. May, Burgess E. Nelson, S. W. Rawls, Tunker C. Watkins, Jr., and P. A. Davis, Chairman. The meeting was called to order by the chairman.

The Commission sent a letter to its absent member, Hon. Wm. A. Wright, expressing pleasure in hearing of his improvement.

It was moved by Mr. Rawls and seconded by Mr. Watkins, that the minutes of the meeting of March 18th be approved, they having been mailed to the members. Motion carried.

Moved by Mr. Rawls and seconded by Mr. May, that the Commission approve the permits issued from March 18th to date, inclusive, as recorded in the Auditing Division. Motion carried.

Moved by Mr. Rawls and seconded by Mr. May that the Commission approve the cancellation of permits from March 18th to date, inclusive, as recorded by the Department and authorized June 25, 1947. Motion carried.

Moved by Mr. Flythe, seconded by Mr. Barrow, that the Commission confirm award of contract on bids received March 19 for the removal of Ferry Slips at Newport News, to the low bidder, Diamond Construction Co., Savannah, Ga., at the bid of \$24,200.00, chargeable to the Revenue Bond Reserve Maintenance Fund, subject to the approval of the consulting engineers. Motion carried.

Moved by Mr. Flythe, seconded by Mr. Barrow, that the Commission confirm award of contract on bids received March 19 for the construction of Project 0081-095-002, Route 81 (402), Bridge over Ramp "A" and Route 81 E.B.L., Washington County, to the low bidder, Wadler & Flourney, Inc., Richmond, Va., at the bid of \$145,980.00 and that 10% additional be set aside to cover the cost of engineering and additional work, making a total of approximately \$160,000.00 chargeable to this project to be financed with \$16,000.00 State and \$144,000.00 Federal Funds. Motion carried.

Reference was also made to the study on the Natural Bridge area location of the Interstate System, on which project Governor John S. Battle was heard by the Commission on March 18th. Mr. R. B. Matthews, owner of Fancy Hill Motel, Natural Bridge, Va., and three other gentlemen, appeared and requested that the location of the Interstate Route in the area of Natural Bridge follow the line selected by the Department's consultants, being known now as line 5 (Red Mill Road). Mr. Davis thanked the gentlemen for coming in and giving the Commission the benefit of their opinion.

Following comments by Mr. Hunsberger, it was moved by Mr. Carper, and seconded by Mr. Rawls, that, WHEREAS, in accordance with the provisions of Section 116(c) of the Federal Aid Highway Act of 1956, a PUBLIC HEARING was held in the Oakton Elementary School, Oakton, Virginia, on March 11, 1958, concerning the proposed location of Interstate Highway Route 66, Project 0066-029, from intersection Routes 29 and 211, 1.0 mile west intersection Route 29 at Centreville to 0.4 mile east intersection Route 125 at Fairfax, Interstate Route 66, Fairfax County; WHEREAS, proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the construction as planned, their statements being duly recorded, and WHEREAS, the economic effects of the location of the proposed improvements have been examined and given proper consideration, and this evidence, along with all other being carefully reviewed; now, therefore, BE IT RESOLVED, that the construction of the roadway along the location shown and designated on the map of the Department entitled "Proposed Interstate Highway Development, from intersection Routes 29-211, 1.0 mile west intersection Route 29 at Centreville to 0.4 mile east intersection Route 125, Interstate Route 66," is approved. Motion carried.

Following comments by Mr. Hunsberger and a screen showing of the lines it was moved by Mr. Flythe and seconded by Mr. Rawls, that WHEREAS, in accordance with the provisions of Section 116(c) of the Federal Aid Highway Act of 1956, a PUBLIC HEARING was held in the Burlington Elementary School on Route 117 near the intersection of Route 11, Roanoke County, on April 15, 1958, concerning the proposed location of Interstate Highway, Route 81, Project 0081-080; 0081-011, from the intersection of Route 11 at Glenvar to 1.0 mile north of Route 606 north of Troutville in Botetourt County, Botetourt and Roanoke Counties; WHEREAS, proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the construction as planned, their statements being duly recorded, and WHEREAS, the economic effects of the location of the proposed improvements have been examined and given proper consideration, and this evidence, along with all other being carefully reviewed; now, therefore, BE IT RESOLVED, that the construction of the roadway along the location shown and designated on the map of the Department entitled, "Proposed Interstate Highway Development, from intersection Route 11 at Glenvar south of Salem to 1.0 mile north Route 606, Interstate Route 81," as Line 1 is approved. Motion carried.

MINUTES  
OF  
MEETING OF STATE HIGHWAY COMMISSION  
RICHMOND, VIRGINIA  
December 17, 1970

The monthly meeting of the State Highway Commission was held at the Central Highway Office in Richmond, Virginia, on December 17, 1970, at 10 a.m. The Chairman, Mr. Douglas B. Fugate, presided.

Present: Messrs. Fugate, Baughan, Duckworth, Eakin, Fitzpatrick, Glass, Hairston, Janney, and Weaver.

On motion of Judge Weaver, seconded by Mr. Duckworth, minutes of the meetings of October 29, 1970, and November 19, 1970, were approved.

Motion was made by Judge Weaver, seconded by Mr. Duckworth, that permits issued from November 19, 1970, to December 16, 1970, inclusive, as shown by records of the Department, be approved. Motion carried.

On motion of Judge Weaver, seconded by Mr. Duckworth, cancellation of permits from November 19, 1970, to December 16, 1970, inclusive, as shown by records of the Department, was approved.

Moved by Mr. Baughan, seconded by Mr. Fitzpatrick,  
that

WHEREAS in accordance with the provisions of Section 128 of Title 23 - Highways, United States Code, and PPM 20-8, a combined location and design public hearing was held on September 15, 1970, at 10 a. m. in the Courtroom of City Hall, Clifton Forge, Virginia, for the purpose of considering the proposed location and design of two sections of Church Street, bridge over Smith Creek and its approaches, also an extension from "A" Street to 0.029 mile east of Hazel Run in the City of Clifton Forge, Virginia, State Projects U000-105-102, PE101, C501, B601 and U000-105-103, PE101, C501; and

WHEREAS proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the proposed project as planned, and their statements being duly recorded; and

WHEREAS the economic, social and environmental effects of the proposed project have been examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed; now, therefore,

BE IT RESOLVED, that the location and major design features of Project U000-105-102, PE101, C501, B601 (Bridge over Smith Creek and Approaches) be approved in accordance with the plan as proposed and presented at said location and design public hearing by the Department engineers; and

BE IT FURTHER RESOLVED, that this action of the Commission does not cover the proposed extension of Church Street from "A" Street to 0.029 mile east of Hazel Run which was covered in the public hearing held on September 15, 1970.

MOTION CARRIED.

Moved by Mr. Fitzpatrick, seconded by Mr. Hairston,  
that

WHEREAS in accordance with the provisions of Section 128 of Title 23 - Highways, United States Code, and PPM 20-8, a combined location and design public hearing was held in the Lord Botetourt High School Auditorium, Daleville, Virginia, on October 19, 1970, at 2:30 p. m., for the purpose of considering the proposed location and design of Route 220 from 0.417 mile north of the intersection of Route 779 (Daleville) to 0.873 mile south of the South Corporate Limits of Fincastle in Botetourt County, State Project 0220-011-101, C502, RW201, PE101, Federal Project F-041-1 (4); and

WHEREAS proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the proposed location and design of the project, and their statements being duly recorded; and

WHEREAS the economic, social and environmental effects of the proposed project have been examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed; now, therefore,

BE IT RESOLVED, that the location and major design features be approved in accordance with the plan as proposed and presented at said location and design public hearing by the Department engineers.

MOTION CARRIED.

Moved by Judge Weaver, seconded by Mr. Hairston,  
that

WHEREAS this Commission did on April 21, 1960, establish the erosion control fund for the purpose of assisting soil conservation districts in the control of erosion on highway right of way in the watersheds of certain streams; and

WHEREAS the soil conservation districts at that time agreed to furnish the necessary easements, arrange for the removal and replacement of fences, and furnish the fertilizer, seed, and mulch necessary to obtain ground cover on highway cut and fill slopes within the watershed being developed; and

WHEREAS recent developments and changes in the Federal soil conservation laws prevent the soil conservation districts from furnishing the fertilizer, seed, and mulch; and

WHEREAS the program to this point has been exceptionally fruitful in providing deterrents to erosion along the State highways, Primary, and Secondary, in the watershed areas.

NOW, THEREFORE, BE IT RESOLVED, that the policy of this Commission established on April 21, 1960, is hereby rescinded and the following substituted therefor:

MINUTES  
OF  
MEETING OF STATE HIGHWAY COMMISSION  
RICHMOND, VIRGINIA

June 8, 1972

Following public hearings on final allocation of Interstate, Rural Primary and Urban construction funds for the fiscal year 1972-73, in Roanoke on June 7, for the Bristol, Salem, Lynchburg and Staunton Districts, and in Richmond on June 8, for the Richmond, Fredericksburg, Culpeper and Suffolk Districts, the State Highway Commission met in the Commission Room at the Central Highway Office in Richmond on June 8, 1972, at 11 a.m., for its regular monthly meeting. The Chairman, Mr. Douglas B. Fugate, presided.

Present: Messrs. Fugate, Baughan, Crowe, Eakin, Glass, Fitzpatrick, Hairston and Janney.

On motion of Mr. Hairston, seconded by Mr. Glass, minutes of the meeting of May 19, 1972, were approved.

Motion was made by Mr. Hairston, seconded by Mr. Glass, that permits issued from May 19, 1972, to June 7, 1972, inclusive, as shown by records of the Department, be approved. Motion carried.

On motion of Mr. Hairston, seconded by Mr. Glass, cancellation of permits from May 19, 1972, to June 7, 1972, inclusive, as shown by records of the Department, was approved.

On motion of Mr. Fitzpatrick, seconded by Mr. Hairston, the Commission approved preliminary budget for the fiscal year September 1, 1972 to August 31, 1973, for the Virginia Toll Revenue Bond Projects, as attached.

On motion of Mr. Fitzpatrick, seconded by Mr. Glass, the Commission approved final allocation of Interstate, Rural Primary and Urban Construction funds for the fiscal year 1972-73, as shown by attached tabulation.

MINUTES  
OF  
MEETING OF STATE HIGHWAY AND TRANSPORTATION COMMISSION  
Richmond, Virginia  
February 16, 1984

The monthly meeting of the State Highway and Transportation Commission was held in the Central Office in Richmond, Virginia, on February 16, 1984, at 10 a.m. The chairman, Mr. Harold C. King, presided.

Present: Messrs. King, Bane, Brydges, Davidson, Forrester, Giffre, Humphreys, Quicke, Smith and Vaughan.

Absent: Mr. Smalley.

On motion of Mr. Quicke, seconded by Mr. Bane, the minutes of the meeting of January 19, 1984, were approved.

On motion of Mr. Quicke, seconded by Mr. Bane, permits issued from January 19, 1984, to February 15, 1984, inclusive, as shown by records of the Department, were approved.

Motion was made by Mr. Quicke, seconded by Mr. Bane, that cancellation of permits from January 19, 1984, to February 15, 1984, inclusive, as shown by records of the Department, be approved.

Motion carried.

Moved by Mr. Quicke, seconded by Mr. Bane, that the Commission approve additions to the Secondary System from January 19, 1984, to February 15, 1984, inclusive, as shown by records of the Department.

Motion carried.

2/16/84

Moved by Mr. Vaughan, seconded by Mr. Davidson,  
that

WHEREAS, in accordance with the provisions of Section 128 of Title 23 - Highways, United States Code, and FHPM 7-7-5, a Location and Design Public Hearing was held in the Lord Botetourt High School located on U. S. Route 220 in Botetourt County, Virginia, on October 5, 1983, at 7:00 p.m. for the purpose of considering the proposed location and major design features of Interstate Route 81 in Botetourt County for the modification of the Route I-81/220 interchange at Exit 44, State Project 0081-011-111, C-501; Federal Project IR-81-2 (150)151; and

WHEREAS, proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the proposed project as presented, and their statements being duly recorded; and

WHEREAS, the economic, social and environmental effects of the proposed project have been examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed;

NOW, THEREFORE, BE IT RESOLVED, that the location and major design features of this project be approved in accordance with the plan as proposed and presented at the said Location and Design Public Hearing by the Department's Engineers and amended to eliminate proposed Ramp E by shifting proposed Ramp D to the north so that the existing northbound on-ramp can be extended over proposed Ramp D and merged with the mainline.

Motion carried.

Moved by Mr. Humphreys, seconded by Mr. Vaughan,  
that

WHEREAS, Section 33.1-221 of the Code of Virginia provides a fund to "... be expended by the Commission for constructing, reconstructing, maintaining or improving access roads within counties, cities and towns to industrial sites on which manufacturing, processing or other establishments will be built under firm contract or are already constructed and to publicly owned airports ..."; and

MINUTES  
OF  
MEETING OF COMMONWEALTH TRANSPORTATION BOARD

Loudoun County Administration Building, Leesburg, Virginia  
May 21, 1987

The monthly meeting of the Commonwealth Transportation Board was held in the Board Room of the Loudoun County Administration Building, Leesburg, Virginia, on May 21, 1987. The chairman, Mr. Ray D. Pethtel, presided.

Present: Messrs. Pethtel, Bacon, Beyer, Davidson, Guiffre, Humphreys, Kelly, Leafe, Malbon, Musselwhite, Quicke and Smalley and Mrs. Kincheloe and Dr. Thomas.

Absent: Dr. Howlette.

During the public comment portion of the meeting, several individuals addressed the Board. Senator Charles L. Waddell, Member of the Virginia State Senate (33rd District), welcomed the Board to Loudoun County. He stressed that the planning and construction of new roads, rail transit and other transportation projects are of critical importance to the growth and development of Northern Virginia and that the area is willing to contribute management and technical expertise and financial resources to assist the Board and the Department of Transportation in improving the transportation network.

Delegate David G. Brickley, Member of the Virginia House of Delegates (51st District), also welcomed the members of the Board to Northern Virginia and urged their support of commuter rail and the Route 28 and Route 234 Bypass projects.

Mr. Bill Plisner, past chairman of the Springfield Bypass Citizens Task Force and past member of the Metro Station Location Task Force, Mr. Ed Risse, Co-chairman of the Fairfax County Chamber of Commerce Transportation Committee and Co-chairman of the Washington Dulles Task Force's Airport Access Committee, and Mr. Albert Dwoskin, Member of the Commission on Transportation in the 21st Century's Financial Advisory Subcommittee, urged the Board's support for the Springfield Metro Station.

Mr. Rick Taube, Executive Director of the Northern Virginia Transportation Commission, expressed the appreciation of the NVTC for the cooperation of the members of the Board and NVTC's hope for continued cooperation of the Board regarding commuter rail funding.

5/21/87

Moved by Mr. Humphreys, seconded by Mr. Kelly, that

WHEREAS, in accordance with the statutes of the Commonwealth of Virginia and policies of the Commonwealth Transportation Board, a Location and Design Public Hearing was held in the Thomas Dale High School on March 31, 1987, at 7:00 p.m., for the purpose of considering the proposed location and major design features of West Hundred Road (Route 10) from 0.54 mile west of Harrowgate Road (Route 144) to 0.06 mile east of the intersection of Jefferson Davis Highway (Route 1/301), in Chesterfield County, State Project 0010-020-118, PE-100, Federal Project M-5127( ), and

WHEREAS, proper notice was given in advance and all those present were given full opportunity to express their opinions and recommendations for or against the proposed project as presented, and their statements being duly recorded, and

WHEREAS, the economic, social and environmental effects of the proposed project have been examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed,

NOW, THEREFORE, BE IT RESOLVED, that the location and major design features of this project be approved in accordance with the Alternative 1 plan as proposed and presented at the said Location and Design Public Hearing by the Department's Engineers with minor changes during the final design to satisfy or minimize individual concerns and with a final decision to be made by the Department concerning noise abatement at the Chester Intermediate School after detailed analysis.

Motion carried.

Moved by Mr. Musselwhite, seconded by Mr. Malbon, that

WHEREAS, in accordance with the statutes of the Commonwealth of Virginia and policies of the Commonwealth Transportation Board, a Combined Location and Design Public Hearing was held in the Lord Botetourt High School Auditorium located on Route 220 about one mile north of Route I-81, on March 25, 1987, at 7:00 p.m., for the purpose of considering the location and major design features for the proposed expansion of the Truck Weighing Station on Interstate Route 81, 2.5 miles south of Troutville, in Botetourt County, State Project 0081-011-114, C-501; Federal Project IR-81-2 ( ), and

WHEREAS, proper notice was given in advance and all those present were given a full opportunity to express their opinions and recommendations for or against the proposed project as presented, and their statements being duly recorded, and

5/21/87

WHEREAS, the economic, social and environmental effects of the proposed project have been examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed,

NOW, THEREFORE, BE IT RESOLVED, that the location and major design features of this project be approved in accordance with the plan as proposed and presented at the said Location and Design Public Hearing by the Department's Engineers with provisions for inclusion of approximately 200 feet of wooden fence along the northbound lane of I-81 and additional landscaping to mitigate the concerns of abutting property owners.

Motion carried.

Moved by Mr. Davidson, seconded by Mr. Humphreys, that

WHEREAS, a Location Public Hearing was held on December 13, 1972, for the purpose of considering the proposed location of Route 265 from the intersection of Route 29 south of Danville to the intersection of Route 29 north of Danville, and

WHEREAS, the Highway Commission approved a 10.7 mile corridor for Route 265 as a limited access highway and a part of the Primary System of Highways, and

WHEREAS, a Design Public Hearing for a section of Route 265 from 0.491 mile south of the Virginia-North Carolina State Line (intersection of Route 29) to 0.082 mile north of the intersection of Route 58 in Pittsylvania County was held on December 17, 1975, and the major design features approved on January 15, 1976, and

WHEREAS, changes in the Danville area have occurred necessitating a new evaluation of the remaining location corridor,

NOW, THEREFORE, BE IT RESOLVED, that the approval of the corridor of Route 265 from 0.082 mile north of the intersection of Route 58 (east of Danville) to the intersection of Route 29 north of Danville be rescinded.

Motion carried.

### RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD

July 18, 2012

#### **MOTION**

**Made By:** Mr. Martin **Seconded By:** Mr. Layne  
**Action:** Motion Carried, Unanimously

**Title: Project Location and Proposed Limited Access Control Changes (LACC) for  
Interstate 81 and Route 220 (Exit 150) Interchange,  
Access Management Improvement Project, Botetourt County**

**WHEREAS**, in accordance with §33.1-18 of the *Code of Virginia* (1950), as amended, and policies of the Commonwealth Transportation Board, a combined Location and Design Hearing was held at the Lord Botetourt High School, in Daleville, Virginia on Thursday, March 8, 2012, between 5:00 p.m. and 7:00 p.m. for the purpose of considering proposed State Highway Project 0081-011-120, P-102, R-202, C-502; and,

**WHEREAS**, the proposed Project involves access management improvements and location of the new Gateway Crossing roadway, and begins 0.15 miles north of Route 1039 on the Route 220 Alternate, and ends 0.50 miles south of Route 653 on Route 220, with a length of 1.65 miles; and,

**WHEREAS**, the said Project improvements consist of realigning the I-81 NB entrance ramp; and the construction of a roundabout at the Route 11/I-81 NB ramps intersection; and improvements to the Route 11/Route 220 intersection; and shifting and/ or establishing limited access control along Route 11 from the Route 220 intersection to north of the I-81 northbound ramp's intersections with the said roundabout; and,

**WHEREAS**, proper notice was given in advance, and all those present were given a full opportunity to express their opinions and recommendations for or against the proposed project as presented, and their statements being duly recorded; and,

Resolution of the Board  
Project Location and Limited Access Control Changes  
Interstate 81 and Route 220 (Exit 150) Interchange  
Botetourt County  
July 18, 2012  
Page Two

**WHEREAS**, the Botetourt County Board of Supervisors has endorsed the project as presented at that public hearing by a resolution passed at their regular board meeting on April 24, 2012; and,

**WHEREAS**, this project is in compliance with NEPA requirements based on the findings set forth in the draft Environmental Assessment; and,

**WHEREAS**, the economic, social, and environmental effects of the proposed project have been duly examined and given proper consideration, and this evidence, along with all other, has been carefully reviewed; and,

**WHEREAS**, on October 4, 1956, the State Highway Commission, predecessor to the Commonwealth Transportation Board, designated the Interstate Highway System to be limited access highways and in accordance with §33.1-58, of the *Code of Virginia*, (1950), as amended, established that the Limited Access Line locations and limits shall be as shown on the final engineering plans for the original highway project construction on the interstates, including I-81; and,

**WHEREAS**, the 1984 interchange modification for I-81, Project 0081-011-111, RW-201, C-501, changed the Limited Access Control and Right of Way lines, in accordance with the design plans for the said Project; and,

**WHEREAS**, the FHWA has provided the requisite approval for State Highway Project 0081-011-120, P-102, R-202, C-502, and the proposed LACC; and,

**NOW, THEREFORE, BE IT RESOLVED**, that pursuant to §33.1-12(1) of the *Code of Virginia*, (1950), as amended, the location of this project is approved as presented at the said combined Location and Design Hearing by the Department.

**NOW, THEREFORE, BE IT FURTHER RESOLVED**, in accordance with the statutes of the Commonwealth of Virginia and policies of the CTB, that the CTB hereby finds and concurs in the determinations and recommendations of VDOT made herein and directs that the I-81 and Route 220 (Exit 150) interchange continue to be designated as a Limited Access Highway with the Limited Access Control being modified from the current locations as follows:

Resolution of the Board  
Project Location and Limited Access Control Changes  
Interstate 81 and Route 220 (Exit 150) Interchange  
Botetourt County  
July 18, 2012  
Page Three

That the existing limited access control line along the south side of Route 220 be shifted to the south, from Route 220 construction baseline Station 14+24.55 and continuing to Route 11 construction baseline Station 14+89.62; and, that the limited access control line be extended along Route 11 northward from the Route 220 and Route 11 intersection, from Route 11 baseline Station 18+11.92, to the intersection of the I-81 northbound exit ramp at Route 11, Route 11 baseline Station 27+30.70; and, that the limited access control line on the north side of the intersection of the I-81 exit / entrance Ramps and Route 11 be shifted and extended northward along the west side of Route 11, from approximate Route 11 baseline Station 31+95 to approximate Route 11 baseline Station 33+95; and, that the existing limited access control line along the east side of the I-81 northbound entrance Ramp be shifted further to the east, from I-81 northbound Ramp baseline Station 16+60.73 and extending to Station 24+58.42. The Commissioner of Highways is authorized to execute any and all documents necessary to implement such changes.

# # #

A regular meeting of the Botetourt County Board of Supervisors was held on Tuesday, August 26, 2025, at the Botetourt County Administration Center in Daleville, Virginia, beginning at 2:06 p.m.

**RESOLUTION SUPPORTING THE DESIGN AND LIMITED ACCESS  
CONTROL CHANGES FOR THE INTERSTATE 81 WIDENING PROJECT  
FROM EXIT 143 TO EXIT 150, ROANOKE COUNTY, AND BOTETOURT  
COUNTY AMSTERDAM AND VALLEY MAGISTERIAL DISTRICTS**

**WHEREAS**, the Interstate 81 (I-81) Widening Project, as depicted on the plans for project 0081-080-947, P101, RW201, C501 (UPC 116201) in Botetourt and Roanoke Counties, is classified as a "limited access highway" by the Virginia Department of Transportation (VDOT); and

**WHEREAS**, in accordance with 24 VAC 30-401-20 limited access control change procedures, it is necessary that a request by resolution or letter of support be received from the locality within which the highway is located where the change in limited access is proposed; and

**WHEREAS**, the limited access control lines along I-81 Northbound and Southbound from approximately MM 143.0 to MM 151.7 will be modified as depicted in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table entitled "I-81 CIP Exit 143 to Exit 150 Improvements, VDOT Project Number 0081-080-947, UPC 116201, Proposed Limited Access Adjustment Exhibits"; and

**WHEREAS**, the limited access control changes are necessary for the widening, safety improvements, and maintenance of the interstate; and

**WHEREAS**, a Design Public Hearing was held on September 19, 2023, and the comment period expired on September 29, 2023; and

**WHEREAS**, the design concept made available for the Public Hearing represents the major design features along with limited access control changes; and

**WHEREAS**, VDOT has requested the Botetourt County Board of Supervisors express its support of the limited access control changes made available at the Public Hearing and refined in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of Botetourt County, Virginia, as follows:

1. That the Board of Supervisors hereby supports the VDOT Project, I-81 CIP Exit 143 to Exit 150 Improvements, to include the major design features and the proposed limited access control changes included in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table.

2. That the Clerk to the Board forthwith send a certified copy of this Resolution to Commonwealth Transportation Board member Dr. Ray Smoot.
3. That this resolution is effective immediately.

MOTION: That the Board adopt the resolution of support for the Interstate 81 widening project from Exit 143 to Exit 150, as presented.

MOTION: Mr. Michael

SECOND: Mr. Nicely

AYES: Mr. Clinton, Mr. Michael, Mr. Nicely, Dr. Scothorn, Mrs. White

RESOLUTION #25-08-05

A Copy TESTE:

Gary Larowe, Clerk

AT A REGULAR MEETING OF THE BOARD OF SUPERVISORS OF ROANOKE COUNTY, VIRGINIA, HELD AT THE ROANOKE COUNTY ADMINISTRATION CENTER, ON TUESDAY, AUGUST 19, 2025

**RESOLUTION 081925-3 SUPPORTING THE DESIGN AND LIMITED ACCESS CONTROL CHANGES FOR THE INTERSTATE 81 WIDENING PROJECT FROM EXIT 143 TO EXIT 150, CATAWBA AND HOLLINS MAGISTERIAL DISTRICTS**

WHEREAS, the Interstate 81 (I-81) Widening Project, as depicted on the plans for project 0081-080-947, P101, RW201, C501 (UPC 116201) in Botetourt and Roanoke Counties, is classified as a "limited access highway" by the Virginia Department of Transportation (VDOT); and

WHEREAS, in accordance with 24 VAC 30-401-20 limited access control change procedures, it is necessary that a request by resolution or letter of support be received from the locality within which the highway is located where the change in limited access is proposed; and

WHEREAS, the limited access control lines along I-81 Northbound and Southbound from approximately MM 143.0 to MM 151.7 will be modified as depicted in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table entitled "I-81 CIP Exit 143 to Exit 150 Improvements, VDOT Project Number 0081-080-947, UPC 116201, Proposed Limited Access Adjustment Exhibits"; and

WHEREAS, the limited access control changes are necessary for the widening, safety improvements, and maintenance of the interstate; and

WHEREAS, a Design Public Hearing was held on September 19, 2023, and the comment period expired on September 29, 2023; and

WHEREAS, the design concept made available for the Public Hearing represents the major design features along with limited access control changes; and

WHEREAS, VDOT has requested the Roanoke County Board of Supervisors express its support of the limited access control changes made available at the Public Hearing and refined in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Roanoke County, Virginia, as follows:

1. That the Board of Supervisors hereby supports the VDOT Project, I-81 CIP Exit 143 to Exit 150 Improvements, to include the major design features and the proposed limited access control changes included in the Limited Access Adjustment Exhibits and the Limited Access Adjustment Locations Table.
2. That the Clerk to the Board forthwith send a certified copy of this Resolution to each member of the Commonwealth Transportation Board.
3. That this resolution is effective immediately.

On motion of Supervisor North to approve the ordinance; seconded by Supervisor Radford and carried by the following roll call and recorded vote:

AYES: Supervisors Hooker, North, Mahoney, Shepherd, Radford  
NAYS: None

Lord Botetourt High School  
1435 Roanoke Road  
Daleville, VA 24083

Find out about a project to provide additional capacity and improve safety by widening seven miles of Interstate 81 from two lanes to three lanes in both directions between exit 143 in Roanoke County and exit 150 in Botetourt County. New lanes will be built at locations along I-81's right and left shoulders.

The project also includes replacing eight bridges on I-81, installing approximately 8,500 feet of sound barrier along the northbound lanes and realigning two ramps and removing one ramp at exit 150. This project will involve a change in shoulder access.

The hearing will be held in an "open-house" format and VDOT representatives will be present to answer questions.

Review the project information and the National Environmental Policy Act document in the form of a Categorical Exclusion at the public hearing or after the hearing at VDOT's Salem District Office located at 731 Harrison Ave., Salem, VA, 540-387-5333, 800-367-7623, TTY/TDD 711. Please call ahead to ensure the availability of appropriate personnel to answer your questions.

Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above address and will be available at the public hearing.

Give your written or oral comments at the meeting or submit them by September 29, 2023, to Craig Moore, Project Manager, 731 Harrison Avenue, Salem, VA 24153. You may also email your comments to [I81\\_E143\\_150@vdot.virginia.gov](mailto:I81_E143_150@vdot.virginia.gov). Please reference "I-81 Exits 143 to 150 Widening Public Comment" in the subject heading.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information in regards to your civil rights on this project or need special assistance for persons with disabilities or limited English proficiency, contact Craig Moore at the phone numbers listed above.

Federal Project: NRP-0412(321), UPC: 118201 State Project: 0081-060-947, 8601, 8602, 8603, 8604, 8605, 8606, 8607, 8608, 8609, C801, P101, R201

In case of inclement weather or other issues, the hearing will be held September 26, 2023, at the same time and location.

### LEGAL NOTICE TOWN OF FINCASTLE PLANNING COMMISSION

Pursuant to the provisions of Sections 15.2-2285 and 15.2-2204, as amended, this shall serve as notice that the Fincastle Town Planning Commission will hold a public hearing on September 14, 2023 at 6 p.m., in the Fincastle Firehouse for the purpose of soliciting public input on:

A proposed ordinance which, in accordance with Section 15.2-2206 of the Code of Virginia, will establish the procedures and requirements prior to the issuing of a demolition permit by the Town Planning Commission for any historic building within the Town of Fincastle, which is 100 years old or older and which does not apply to modern buildings. It does not apply to accessory structures such as sheds, garages, or storage buildings.

Copies of this proposed ordinance can be obtained by contacting the Fincastle Town office during regular office hours or by contacting Scott Critzer at 540-473-3377.

Scott Critzer, Chairman  
Planning Commission

### LEGAL NOTICE TOWN OF FINCASTLE

Pursuant to the provisions of Sections 15.2-2285 and 15.2-2204 of the Code of Virginia the Fincastle Town Council will hold two (2) public hearings for the purpose of soliciting public input on the matters referenced below at their regularly scheduled meeting on September 14 at 7 p.m. in the Fincastle Firehouse.

A proposal by the Fincastle Planning Commission to create an Uptown Mixed Use Expansion district to extend one block out from the intersection of Main and Roanoke streets that shall be applicable to properties that have frontage on those streets. This proposal will not change the existing zoning for current uses in this district.

Copies of this proposal may be obtained by contacting the Fincastle Town office during regular office hours.

Proposed tax amendments to the accessory building or structures ordinance. These amendments are for the purpose of better clarifying several of the terms in the existing ordinance and defining the number of such structures that are allowed.

A copy of this proposed tax amendment may be obtained at the Fincastle Town office during regular business hours.

Mary Ann Smith, Mayor  
Town of Fincastle

## Bonsack/Blue Ridge Ruritan Club donates Beanie Babies to Vinton firefighters and police for use in crisis situations

The Bonsack/Blue Ridge Ruritan Club recently made a donation of Beanie Babies to Roanoke County Fire and Rescue Station 2 in Vinton and the Vinton Police Department. The donations will allow them to hand out to children during crisis situations.

The club has been serving Eastern Roanoke and South Roanoke

Counties for over 70 years since 1952. The organization has been instrumental in the transitioning of a rural community to a suburban one (founding what is now Roanoke). The club has been involved in West Virginia Ruritan Rodeo, installing playgrounds, and the building of a school, fire station, and library.

The Ruritan's stated

objective is to continue to serve the community's needs.

The club sponsors blood drives, awards a scholarship to a graduating senior at William Byrd High School, and places

flags on military graves on patriotic holidays.

Visit the Facebook page for more information.

Roanoke/Blueridge Police Officer, Brian Westmore presents Beanie Babies to Cpl. Brandon Charles, Sgt. Todd Bailey, Sgt. Justice Baker, and Officer Andrew Lang of the Vinton Police Department. These stuffed toys will be given to children who need comfort in crisis situations.

### LEGAL NOTICE NOTICE OF PUBLIC HEARINGS OF THE BOTETOURT COUNTY PLANNING COMMISSION

Pursuant to the provisions of Section 15.2-2284 of the Code of Virginia, as amended, the Botetourt County Planning Commission will hold a public hearing on Monday, September 11, 2023 at 6:00 p.m. in the Botetourt County Administration Center at 57 Custer Drive, Daleville, Virginia to consider the request for a demolition permit. The Planning Commission will make a final decision on the request for a demolition permit of 500 South Center Street, which will make a final decision on the request. Information may be reviewed at the Community Development Planning & Zoning Office at 57 South Center Drive, in Daleville from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding holidays and major events. Interested parties may register at the Botetourt County Planning Commission's website, <http://www.botetourtcountyvirginia.org/Planning/AgendaCenter>, by scrolling down to the Planning Commission section.

Amherstburg District: The Botetourt County Board of Supervisors has authorized consideration of a property owner-initiated petition for an amendment to the 2010 Comprehensive Plan's Future Land Use Map #7 to amend the zoning classification of 90 Orchard Lake Drive to Industrial and identified on Tax Maps as 87-159; 87-161C; 87-161A.

Amherstburg District: 1W, # 8, Section 1, Phase 1, and Shipton Linds 1, E1 A1 request to rezone 31.04 acres from the Residential (R-1) the District to the Agricultural (A-1) Use District, with possible modified conditions, located at and adjacent to 90 Orchard Lake Drive and identified on the Map as 87-159; 87-161C; 87-161A.

Valley District: RYT LLC request two Special Exception Permits for light industrial reclassification and modification of existing zoning classification in the Business (B-3) Use District, located on Lee Highway, Cloverdale, VA, approximately 0.2 miles south of the Simmons Drive intersection and identified on Tax Maps as 101(1)188.

Buchanan District: Floyd L. Staines Life Estate and William H. Staines (Stainberg Renewable USA, LLC, lessee) request a Special Exception Permit for a utility scale solar energy facility, with possible conditions, located on Potts Branch Road, adjacent to 339 Patowmack Lane and identified on Tax Maps as Section 66-5.

C. Nicole Pendleton, AICP, CFA, CFM  
Director of Community Development

Michelle Esparagoza, clerk  
8/24, 8/31, 9/7 & 9/14/2023

COMMONWEALTH  
OF VIRGINIA

Roanoke City Juvenile & Domestic Relations District Court Commonwealth of Virginia, in re: A'dryon Amir Brown, Avannah Monae Brown, Ava A'miva Burley, and Amariyon Kyree Burley City of Roanoke DSS v.

Kadijah Yassminah Brown, Emanuel Hy'keem Burley, and Any Unknown Father

The object of this suit is to: terminate the residual parental rights of Kadijah Yassminah Brown, Emanuel Hy'keem Burley, and Any Unknown Father pursuant to Virginia Code Sections: Section 16.1-283(B) and/or Section 16.1-283(C) (1) and/or Section 16.1-283(C)(2).

"Residual parental rights are defined by Section 16.1-228 of the Code of Virginia (1950) as amended as the rights and responsibilities remaining with the parent after the loses custody of a child, including but not limited to the right of visitation, consent to adoption, the right to determine religious affiliation, and the responsibility for support.

The termination of your residual parental rights will permanently end all of your rights and responsibilities to the child named in the petition. The ties between you and your child are severed forever and you become a legal stranger to the child.

It is ordered that the defendant Kadijah Yassminah Brown, Emanuel Hy'keem Burley, and Any Unknown Father appear at the above-named Court to protect his or her interest on or before October 17, 2023 at 3:00pm.

ADVERTISEMENT FOR  
SNOW REMOVAL  
EQUIPMENT SERVICES  
WITH OPERATOR  
SIGNUP

The Virginia Department of Transportation invites heavy equipment owners to sign up for the rental of their equipment with operators for SNOW & ICE REMOVAL purposes in Salem Residency which includes the counties of Roanoke, Botetourt and Craig during the winter of 2023-2024. Price per hour shall include operators, fuel, tire chains, supplies and required insurance. VDOT will need dump trucks, pickups with plows, motor graders, backhoes, dozers, track loaders, tractors, rubber-tire loaders and farm tractors. All equipment shall be equipped for night work and be in good mechanical condition to ensure a safe and dependable 24/7 operation. VDOT reserves the right to determine acceptability of equipment size and condition for the task. Contractors submitting prices meeting the requirements of the Agreement may be contracted with and may be eligible to receive a mobilization payment and a minimum guaranteed payment for the season.

Contractors must submit their application on the electronic M7B bidding site at <https://plow.eva.com/>. All new and returning Contractors must be active in the Virginia eProcurement Portal (eVA) in order to do business with the Commonwealth of Virginia (<https://eva.virginia.gov>).

Applications received by 7:00 PM on Monday October 2, 2023 may be eligible for a mobilization bonus. See the EVA posting for additional information.

Service to a just cause rewards the worker with  
more real happiness and satisfaction than  
any other venture of life.

Interstate 81 Widening  
Exit 143 to Exit 150  
Roanoke County and  
Botetourt County

## Design Public Hearing

<https://www.virginiadot.org/I81exit143to150>

Tuesday, September 19, 2023, 5-7 p.m.  
Lord Botetourt High School  
1435 Roanoke Road  
Daleville, VA 24083

Find out about a project to provide additional capacity and improve safety by widening seven miles of Interstate 81 from two lanes to three lanes in both directions between exit 143 in Roanoke County and exit 150 in Botetourt County. New lanes will be built at locations along I-81's right and left shoulders.

The project also includes replacing eight bridges on I-81, installing approximately 8,500 feet of sound barrier along the northbound lanes and realigning two ramps and removing one ramp at exit 150. This project will involve a change and/or break in limited access.

The hearing will be held in an "open-house" format and VDOT representatives will be present to answer questions.

Review the project information and the National Environmental Policy Act document in the form of a Categorical Exclusion at the public hearing or after the hearing at VDOT's Salem District Office located at 731 Harrison Ave, Salem VA, 540-367-5353, 800-367-7623, TTY/TDD 711. Please call ahead to ensure the availability of appropriate personnel to answer your questions.

Property Impact Information, relocation assistance policies and tentative construction schedules are available for your review at the above address and will be available at the public hearing.

Give your written or oral comments at the meeting or submit them by September 29, 2023, to Craig Moore, Project Manager, 731 Harrison Avenue, Salem, VA 24153. You may also email your comments to [I81-Exit143-150@vdot.virginia.gov](mailto:I81-Exit143-150@vdot.virginia.gov). Please reference "I-81 Exits 143 to 150 Widening Public Comment" in the subject heading.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information in regards to your civil rights on this project or need special assistance for persons with disabilities or limited English proficiency, contact Craig Moore at the phone numbers listed above.

Federal Project: NHP-061(2021), UPC: 118201 State Project: 0061-060-947, B001, B002, B003, B004, B005, B006, B007, B008, B009, C001, P101, R201

In case of inclement weather or other issues, the hearing will be held September 26, 2023, at the same time and location.

Project Information			
<b>Project Name:</b>	I-81 Corridor Improvement Proj MM144 - Exit 150 Add'l Lanes	<b>Federal Project#:</b>	NHPP-0812(321)
<b>Project Number:</b>	0081-080-947, B601, B602, B603, B604, B605, B696, B697, B698, B699, C501, P101, R201	<b>Project Type:</b>	Construction
<b>UPC:</b>	116201	<b>Charge Number:</b>	UPC 116201, ACT 600 Series
<b>Project Number(Assoc)(UPC):</b>	00081-080-24594706, 00081-902-25150782, 00081-902-25151692, 00081-902-25305799, 00081-902-25342450, 00081-902-26048288, 00081-902-26073929		
<b>Route Number:</b>	81	<b>Route Type:</b>	Interstate
<b>Project Limit--From:</b>	MM 144	<b>To:</b>	MM 151
<b>Additional Project Description:</b>	This project will increase capacity on Interstate 81 (I-81) by adding one 12-foot-wide through lane in each direction between mile marker 144 and 151 in Roanoke and Botetourt Counties (see Attachment A - Project Location). Additional activities include the installation of median barrier, drainage system improvements and bridge rehabilitations or replacements at Route 1836 (Belle Haven Road), Route 648 (Reservoir Road), Tinker Creek (MM 149.5), Route 220 (Cloverdale Road), and Route 115 (Plantation Road).		
<b>Purpose And Need:</b>	The project will address deficiencies in the level of service due to traffic volumes exceeding capacity and provide operational safety improvements between mile marker 144 and 151. The I-81 Section of Independent Utility #4 Tier 2 Traffic Technical Memorandum, dated 10/27/2015, indicated the corridor between Exits 137 and 150 has the highest volumes of traffic compared to all I-81 segments in VA. This segment experiences peak hour delays due to the high traffic volumes on I-81.

FHWA Contact: Jones, Kevin

Project in STIP: Yes      In Long Range Plan? Yes

CE Category 23 CFR 771.117: d13

**Description of Category:** Actions described in paragraphs (c) (26), (c)(27), and (c)(28) of this section that do not meet the constraints in paragraph (e) of this section. (e) Actions described in (c) (26), (c)(27), and (c)(28) of this section may not be processed as CEs under paragraph (c) if they involve:(1) An acquisition of more than a minor amount of right-of-way or that would result in any residential or non-residential displacements; (2) An action that needs a bridge permit from the U.S. Coast Guard, or an action that does not meet the terms and conditions of a U.S. Army Corps of Engineers nationwide or general permit under Section 404 of the Clean Water Act and/or Section 10 of the Rivers and Harbors Act of 1899;(3) A finding of "adverse effect" to historic properties under the National Historic Preservation Act, the use of a resource protected under 23 U.S.C. §138 or 49 U.S.C. §303 (Section 4(f)) except for actions resulting in de minimis impacts, or a finding of "may affect, likely to adversely affect" threatened or endangered species or critical habitat under the Endangered Species Act; (4) Construction of temporary access, or the closure of existing road, bridge, or ramps, that would result in major traffic disruptions;(5) Changes in access control; (6) A floodplain encroachment other than functionally dependent uses (e.g., bridges, wetlands) or actions that facilitate open space use (e.g., recreational trails, bicycle and pedestrian paths); or construction activities in, across or adjacent to a river component designated or proposed for inclusion in the National System of Wild and Scenic Rivers.

Logical Termini and Independent Utility: Yes

Next Phase of Funding Available? Yes

**Comments:** The proposed roadway widening construction is included in the STIP Grouping for Construction: Safety/ITS/Operational Improvements; therefore, it meets the fiscal constraint requirements.

**Typical Section:** The proposed typical section for I-81 southbound includes a 36-ft pavement width (three 12-ft lanes) and an 8-ft median shoulder in areas with no guardrail or barrier, and 12-ft median shoulder in areas with guardrail or barrier.

**Structures:** Str# 14881 (Rte 1836NB), 14879 (Rte 1836SB), 03224 (Rte 648NB), 03226 (Rte 648SB), 03228 (Tinker Creek NB), 03229 (Tinker Creek SB), 03236 (Rte 220NB), 03238 (Rte 220SB), and 27693 (Rte 115)

## SOCIO-ECONOMIC

**Minority/Low Income Populations:** Present with no impact **Disproportionate Impacts to Minority/Low Income Populations:** No

**Source:** 2022 US EPA EJScreen, 2022 Justice40 Transportation Disadvantaged Census Tracts

**Existing or Planned Public Recreational Facilities:** Not Present

**Community Services:** Present with no impact

**Consistent with Local Land Use:** Yes

**Source:** Roanoke County GIS Database; Botetourt County GIS Database; Salem District Planning Section

**Existing or Planned Bicycle/Pedestrian Facilities:** Not Present

**Source:** Salem District Planning Section; Bikeway Plan for the Roanoke Valley Area 2012

**Socio-Economic Comments:** The percentage of people of color and low income populations in the project area Census Tract Block Groups given above are below the state, EPA Region, and US average. There are no relocations, no displacements and no disruption of community services (e.g., police services, fire protection, emergency medical services and/or school bus operations). Local traffic may experience delays resulting from interstate bridge work where surface streets cross the interstate, but these will be temporary and short in duration and will not result in long-term adverse impacts. Therefore, the proposed project will not have a Disproportionately High and Adverse Effect on any population that may qualify as an EJ Community. In accordance with the provisions of E.O. 12898 and FHWA Order 6640.23, no further Environmental Justice analysis is required. See Environmental Justice Analysis (Attachment B).

## SECTION 4(f) and SECTION 6(f)

**Use of 4(f) Property:** No

**Source:** GIS Integrator - Metadata Source: VDCR LWCF 6(f); VDOT Cultural Resources staff

**6(f) Conversion:** No **Acres of Conversion:**

**4(f) Comments:** There are no Section 4(f) properties within the project corridor.

**6(f) Comments:** There are no Section 6(f) properties within the project corridor.

## CULTURAL RESOURCES

**Section 106 Effect Determination:** NO EFFECT

**Name of Historic Property:** None

**DHR Concurrence date:** 06/16/2022

**MOA/PA Execution Date:** None

**Cultural Resource Comments:** The Virginia Department of Historic Resources concurred with a "no effect" determination to historic properties on June 16, 2022.

## NATURAL RESOURCES

**Are Waters of the U.S. present?** Yes

**Linear Feet of Impact:** Approximately 5754

**Federal Threatened or Endangered Species:**

Indiana Bat (Myotis sodalis)-Federal:FE-May affect, Not Likely to adversely Effect

Northern Long-Eared Bat (Myotis septentrionalis)-Federal:FT-May affect, Not Likely to adversely Effect

Based upon review of federal databases including IPaC, federal T&E species have a  10/19/2022 B Willis potential to occur in the project area.

**100 Year Floodplain:** None

**Regulatory Floodway Zone:** Present with no impact

**Zone Code:** AE

**Public Water Supplies:** Not Present

**Are any tidal waters/wetlands present?** No

**Wetlands:** Present with impacts

**Tidal Acres of Impact:**

**Tidal Wetland Type:**

**Are any Non-Tidal Wetlands Present?** Yes

**Non Tidal Acres of Impact:** 0.411

**Non Tidal Wetland Type:** Forested

**Total Wetland Acres of Impacts:** 0.411

**Are water quality permits required?** Yes

**Natural Resource Comments:** Waters of the U.S. (WOUS): The 5,754 linear feet of impact to several tributaries leading to the Roanoke River and the 0.411 acre of wetland impacts are a preliminary estimate only. All proposed construction activities in WOUS will be identified during final design and addressed through the water quality permit acquisition process.

**Threatened & Endangered Species:** The U.S. Fish & Wildlife Service (FWS) Information, Planning, and Consultation (IPaC) Official Species List identifies the endangered Indiana bat and threatened northern long-eared bat as species that may occur within the boundary of the project and/or may be affected by the project. An acoustic bat survey was completed on June 5-11, 2020 and June 23-25, 2020, following the methods outlined in the FWS's 2020 Range-wide Indiana Bat Summer Survey Guidelines. The survey resulted in no detections of any federally-listed bat species.

**Regulatory Floodway Zone:** Bridge Str. No. 2026 (Fed ID #3228) and Str. No. 2027 (Fed ID #3229) over Tinker Creek span a regulatory floodway zone. There will be no impacts to the floodway zone as the design of the replacement bridges shall adhere to the project criteria that, "There is no allowable increase in the 100-year flood elevation (0.0 foot) because the project is in a FEMA Detailed Study Stream with a Floodway," per the I-81 Over Tinker Creek Hydrologic and Hydraulic Analysis, dated May 27, 2022.

## AGRICULTURAL/OPEN SPACE

**Open Space Easements:** Present with no impact

**Agricultural/Forestal Districts:** Not Present

**Source:** Project Definition Form

**Agricultural/Open Space Comments:** Open Space Easements including NPS Appalachian Trail, Carvins Cove Reservoir, and Blue Ridge Land Conservancy are present within the 0.1 mile buffer; however, the proposed project will not result in any direct impacts or conversion of any land associated with these easements per the PFI Roadway Plans, dated 05/05/2022.

VDOT GIS Integrator - Metadata Source: Agricultural/Forestal Districts; VOF Conservation Projects; Conservation Lands.

## FARMLAND

**NRCS Form CPA-106 Attached?** Yes

**Rating:** 112

**Alternatives Analysis Required?** No

**Source:** Salem District Environmental Section; USDA Natural Resources Conservation Service (NRCS) GIS database.

**Farmland Comments:** Per 7 CFR 658.2(a), VDOT has elected to make the determination that these lands could be utilized as farmlands; however, based on VDOT's completion of the Corridor Assessment Criteria in Part VI of Form CPA-106 (Attachment C - CPA-106), this project's combined score (Parts V and VI) was less than 160 points, even if the Part V value was the maximum of 100 points. Therefore, per 7 CFR 658.4(c)(2), this project need not be given further consideration for protection and no additional sites need be evaluated.

## INVASIVE SPECIES

### Invasive Species in the project area? Unknown

There is potential for invasive species to become established along the limits of disturbance of the project during and following construction. Section 244.02(c) of VDOT's Road and Bridge Specifications includes provisions intended to control noxious weeds (which includes non-native and invasive species).

While rights-of-ways are at risk from invasive species colonization from adjacent properties, implementing the above provisions would reduce or minimize potential for introduction, proliferation, and spread of invasive species. Additionally, the implementation of best management practices for erosion/sediment control and abatement of pollutant loading would minimize indirect impacts to adjoining communities and habitat by reducing excess nutrient loads that could encourage invasive species proliferation.

**Invasive Species Comments:** Standard VDOT seed mixes will be used for the re-establishment of vegetation on areas disturbed by construction.

## AIR QUALITY

### Air Quality Status and Regional Conformity

**Jurisdiction Description:** This project is located within an Attainment area for all of the National Ambient Air Quality Standards (NAAQS). In accordance with 40 CFR Part 93, transportation conformity requirements are not applicable to the project since the project is not located in a nonattainment or maintenance area for any transportation-related criteria pollutant (i.e., ozone, particulate matter, nitrogen dioxide, and carbon monoxide). In addition, the project is located in a volatile organic compounds (VOC) and nitrogen oxides (NOx) Emissions Control Area. As such, all reasonable precautions should be taken to limit the emissions of VOC and NOx. The following VDEQ air pollution regulations must be adhered to during the construction of this project: 9 VAC 5-130, Open Burning restrictions; 9 VAC 5-45, Article 7, Cutback Asphalt restrictions; and 9 VAC 5-50, Article 1, Fugitive Dust precautions.

### Carbon Monoxide

CO Microscale Analysis Required for NEPA? No

- ✓ The proposed project meets the criteria specified in the current FHWA-VDOT "Programmatic Agreement for Project Level Air Quality Analyses for Carbon Monoxide" and therefore a project-specific analysis for CO is not required.

As the project is located in a region that is attainment of the CO NAAQS, EPA project-level ("hot-spot") transportation conformity requirements do not apply. As only NEPA applies, a project-specific analysis and/or assessment for carbon monoxide (CO) is not needed under the terms of the programmatic agreement between FHWA and VDOT for project-level air quality analyses for CO. As documented in that agreement, which is based on the analysis and information presented in the template Programmatic Agreement and Technical Support Document (TSD) developed in the National Cooperative Highway Research Program (NCHRP) 25-25 Task 104 study (2020), the weight-of-evidence shows that it may reasonably be concluded that the national ambient quality standard (NAAQS) for CO will be met.

### Particulate Matter

This project is located in: A PM2.5 Attainment Area

PM Hotspot Analysis Required? No

The final rule that establishes the transportation conformity criteria and procedures for determining which transportation projects must be analyzed for local air quality impacts in Fine Particulate Matter (PM2.5) nonattainment and maintenance areas was published on March 10, 2006. This project is located in a PM2.5 attainment area and therefore no further discussion of PM2.5 is necessary.

### Mobile Source Air Toxics

This project requires: No further discussion of MSAT

- ✓ The project qualifies for a categorical exclusion under 23 CFR 771.117.

This project is excluded from further analysis following FHWA's Interim Guidance Update on MSAT Analysis in NEPA dated October 18, 2016 for projects qualifying as a categorical exclusion under 23 CFR 771.117.

## NOISE

**Noise Scoping Decision:** Type I - Noise study required

**Barriers Under Consideration?** Yes

**Noise Comments:** A preliminary noise analysis (PNA), dated August 2022, was prepared in accordance with Federal Highway Administration (FHWA) and VDOT noise assessment regulations and guidelines. Based on the anticipated noise impacts, 15 noise barriers were evaluated to determine whether or not they meet VDOT's feasibility and reasonableness criteria. Only one (1) noise barrier (Barrier B) was determined to be both feasible and reasonable and would therefore meet VDOT's criteria to be constructed. The PNA presents the results of the preliminary noise evaluation; however, a more detailed analysis will be completed during the final design of the project that may change the number and location of sound barriers determined to be feasible and reasonable.

## RIGHT OF WAY AND RELOCATIONS

**Residential Relocations:** No

**Commercial Relocations** No

**Non-Profit Relocations:** No

**Right of Way required?** Yes

**Fee Simple:** 34.3

**Temporary Easement:** 25.1

**Permanent Easement:** 2

**Utility Easement:** 16.7

**Amount of Right of Way Acreage:** 78.1

**Septic Systems or Wells:** Present with no impact      **Hazardous Materials:** Present with no impact

**Source:** Salem District Right-of-Way; Salem District Hazardous Materials Staff

**ROW and Relocations Comments:** The acreage totals for proposed right-of-way acquisition and easements are preliminary. The final acreage totals will be determined following advancement of roadway design.

Phase I Environmental Site Assessments (ESA) were completed and identified thirteen (13) recognized environmental conditions (RECs) along the project corridor. Phase II ESA's were subsequently completed on four (4) RECs with three (3) resulting in additional management considerations being recommended if they are impacted during construction activities. The remaining nine (9) RECs will either be avoided or do not represent a substantial liability or require substantial regulatory negotiation to resolve.

## CUMULATIVE AND INDIRECT IMPACTS

**Present or reasonably foreseeable future projects (highway and non-highway) in the area:** Yes

**Impact same resources as the proposed highway project (i.e. cumulative impacts):** No

**Indirect (Secondary) impacts:** No

**Source:** Salem District Environmental Section

**Cumulative and Indirect Impacts Comments:** Project #0081-080-903 (UPC 108906) to add auxiliary lanes in each direction between Exits 141 and 143 was recently completed and Proj. #0081-80-946 (UPC 116203) is currently under construction to add additional through lanes in each direction between Exits 136-141.

Per EM-NEPA-715, the indirect and cumulative effects of the proposed action have been considered as part of this document. The impact causing activities proposed as part of the project could result in limited indirect effects to the surrounding area. These impacts could be minimized and mitigated through appropriate erosion and sediment controls, stormwater management, and adhering to permit conditions. Indirect impacts to socioeconomic resources would be mitigated and minimized through actions taken by the locality, individual property owners, and the surrounding business community. The proposed project would contribute negligible increments to the cumulative effects of past, present and reasonably foreseeable future projects.

## PUBLIC INVOLVEMENT

**Substantial Controversy on Environmental Grounds:** No

**Source:** VDOT Project Manager

**Public Hearing:** Yes **Type of Hearing:** Combined Hearing

**Other Public Involvement Activities:** No

**Public Involvement Comments:** A public hearing will be scheduled in the January/February 2023 timeframe.

## COORDINATION

### State Agencies:

Virginia Outdoors Foundation  
Department of Mines, Minerals and Energy  
Department of Environmental Quality  
Department of Forestry  
Department of Health

### Federal Agencies:

U.S. Fish and Wildlife Service

### Local Entity:

Botetourt County Administrator  
Roanoke County Administrator  
Roanoke Planning District  
Botetourt Planning District

### Other Coordination Entities:

**Simpson, Robin C**

---

**11/04/2022**

---

**Environmental Manager, CE Certification**

**Date**

**This project meets the criteria for a Categorical Exclusion pursuant to 40 CFR 1508.4 and 23 CFR 771.117 and will not result in significant impacts to the human or natural environment.**

## Documentation of FHWA Review

Project Name: **I-81 Corridor Improvement Project MM144 – Exit 150 Add'l Lanes**  
State Project Number: **0081-080-947, B601, B602, B603, B604, B605, B696, B697,**  
**B698, B699, C501, P101, R201**

UPC: **116201**

Based on the information provided and after review of the Categorical Exclusion document for the subject project, FHWA approves the document for public availability.

Kevin Jones

FHWA- Virginia Division

11/25/2022

## Documentation of FHWA Review

Project Name: **I-81 Corridor Improvement Project MM144 – Exit 150 Add'l Lanes**

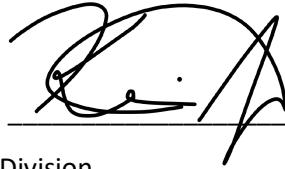

State Project Number: **0081-080-947, B601, B602, B603, B604, B605, B696, B697, B698, B699, C501, P101, R201**

UPC: **116201**

Based on preliminary environmental impact information compiled by VDOT, FHWA approved this project as a Categorical Exclusion on **01/12/2021**. Based on my review of the Categorical Exclusion documentation submitted by VDOT, I find this information acceptable and sufficient as supporting documentation to support the original Categorical Exclusion determination.

Kevin Jones

FHWA- Virginia Division

Federal Project Number NHPP-081-2(321) UPC 116201  
Roanoke and Botetourt Counties  
Request for Modified Limited Access Line

Dear Mr. Letemo,

As you are aware, The Virginia Department of Transportation (VDOT) is developing plans for the I-81 Northbound and Southbound Widening from approximately Exit 143 to Exit 150 in Roanoke and Botetourt Counties, Virginia. This project constructs added capacity for I-81 in the median and interchange improvements at Exit 150 to improve safety and operations.

As a result of the design of the project, the Limited Access Line needs to be modified at several locations to accommodate the required construction for the roadway widening, various drainage outfalls, storm water management facilities, noise walls, and bridge construction.

I-81 was designated as a Limited Access Highway by the State Highway Commission, predecessor to the Commonwealth Transportation Board (CTB), on October 4, 1956. The proposed Project is in compliance with National Environmental Policy Act (NEPA) requirements and a Categorical Exclusion (CE) was documented and approved for public availability on May 12, 2023.

Therefore, VDOT is requesting your concurrence in modifications to the existing limited access lines along the Project corridor as shown on the attached exhibits and control points table.

Attached please find a copy of the Title Sheet, Exhibits showing the area of LACC, and the Limited Access Control Point Table for the affected areas.

VDOT approves of the Limited Access Control Changes as shown on the exhibits and control points table. We are requesting review and approval of these limited access changes so that the Commonwealth Transportation Board can approve the changes at their meeting on October 15, 2025.

If additional information is needed, please contact Mr. Butch Heishman, P.E. at 804.502.2362 or [vernon.heishman@vdot.virginia.gov](mailto:vernon.heishman@vdot.virginia.gov).

Sincerely,

Vernon W Heishman
