#### MOTION

**Made By:** Mr. Minchew, **Seconded By:** Mr. Gribbin

**Action:** Motion Carried, Unanimously

#### **Title: Washington Metropolitan Area Transit Authority Annual Reporting Fiscal Year 2025**

**WHEREAS**, Virginia Code Section 33.2-1526.1 allocates 46.5 percent of the Commonwealth Mass Transit Fund to the Northern Virginia Transportation Commission ("NVTC") for distribution to the Washington Metropolitan Area Transit Authority ("WMATA") for capital purposes and operating assistance ("Commonwealth Mass Transit Fund WMATA Allocation"), as determined by NVTC; and

**WHEREAS**, the Virginia Code Section 33.2-1526.1 requires the CTB to withhold funding available to WMATA under the following conditions:

1. Va. Code Sec. 33.2-1526.1(K) requires that in any year that the total Virginia operating assistance in the approved WMATA budget increases by more than three percent from the total operating assistance in the prior year's approved WMATA budget, the CTB shall withhold an amount equal to 35 percent of the funds available. The following items shall not be included in the calculation of any WMATA budget increase: (i) any service, equipment, or facility that is required by any applicable law, rule, or regulation; (ii) any capital project approved by the WMATA Board before or after July 1, 2018; and (iii) any payments or obligations of any kind arising from or related to legal disputes or proceedings between or among WMATA and any other person or entity.
2. Va. Code Sec. 33.2-1526.1(L) requires the CTB to withhold 20 percent of the funds available if (i) any alternate directors participate or take action at an official WMATA Board meeting or committee meeting as Board directors for a WMATA compact member when both directors appointed by that same WMATA Compact member are present at the WMATA Board meeting or committee meeting or (ii) the WMATA Board of

Directors has not adopted bylaws that would prohibit such participation by alternate directors.

3. Va. Code Sec. 33.2-1526.1(M) requires that beginning July 1, 2019, the CTB shall withhold 20 percent of the funds available each year unless (i) WMATA has adopted a detailed capital improvement program covering the current fiscal year and, at a minimum, the next five fiscal years, and at least one public hearing on such capital improvement program has been held in a locality embraced by the NVTC; and (ii) WMATA has adopted or updated a strategic plan within the preceding 36 months, and at least one public hearing on such plan or updated plan has been held in a locality embraced by the NVTC.
4. Va. Code Sec. 33.2-1526.1(N) requires the CTB to withhold 20 percent of available funding unless WMATA prepares and submits a proposed detailed annual operating budget and any proposed capital expenditures and projects for the following fiscal year to the CTB by April 1 of each year. The budget shall include information on expenditures, indebtedness, pensions and other liabilities, and other information as prescribed by the CTB. In addition, such funds shall be withheld if the Commonwealth's and Northern Virginia Transportation Commission's principal representatives to the WMATA Board of Directors and the WMATA General Manager fail to annually address the CTB regarding the WMATA budget, system performance, and utilization of the Commonwealth's investment in the WMATA system; and

**WHEREAS**, the CTB approved policy and guidelines to govern future Board decisions related to the Governance and Funding Reforms for WMATA by resolution on September 18, 2018, which were most recently amended on September 20, 2023, require that DRPT analyze information received from WMATA and make a recommendation to the Board on enforcement actions, if any, to be taken; and

**WHEREAS**, DRPT has completed a review of WMATA's compliance with such requirements, in consultation with the Office of the Attorney General, and has presented their findings and recommendations to the Board; and

**WHEREAS**, DRPT considered revisions to the CTB policy as prescribed therein and presented to the CTB its recommendation to make no changes to CTB policy on September 16, 2025.

**NOW THEREFORE, BE IT RESOLVED** that the Board hereby adopts the following findings relative to WMATA's compliance for Fiscal Year 2025:

## CTB Decision Brief

### **Washington Metropolitan Area Transit Authority (WMATA) Annual Reporting:** **Fiscal Year 2025**

**Issue:** In accordance with the CTB Policy and Guidelines for Implementation of Governance and Funding Reforms for the Washington Metropolitan Area Transit Authority (WMATA) that was approved by the CTB on September 18, 2018, and most recently updated on September 20, 2023, WMATA must provide notifications to DRPT by specified deadlines each year regarding its compliance with legislative and CTB policy requirements. DRPT is required to analyze the information received from WMATA and present to the CTB, in September of each year, a recommendation on enforcement actions, if any, that are required to be taken by the CTB policy. A resolution approving DRPT's recommendations as presented is required. CTB policy also requires the Board to consider revisions to the policy at least every two years.

**Facts:** WMATA provided all required notifications for FY 2025 actions to DRPT by the required deadlines. DRPT staff reviewed and verified the information received from WMATA, and DRPT Senior Program Manager, Jen Monaco, presented DRPT's findings and recommendations to the CTB at its workshop on September 16, 2025. The five specific legislative and CTB Policy requirements that WMATA must document compliance with include:

- 1) a three percent cap on growth in total Virginia operating assistance from the previous fiscal year;
- 2) restrictions on the participation by Alternate Directors to the WMATA Board;
- 3) annual adoption of a detailed Capital Improvement Program (CIP);
- 4) the adoption or update of a Strategic Plan at least every 36 months; and
- 5) submission of detailed budget documents and an annual presentation to the CTB by the WMATA General Manager and WMATA Board members from Virginia.

WMATA must also certify that it held public hearings on the CIP and Strategic Plan prior to adoption.

The requirement related to the three percent cap on growth in total Virginia operating assistance was suspended for two years, including this compliance period, in the Virginia 2024-2026 Biennium Budget that was approved in May 2024. DRPT found that WMATA met the standards for compliance with all legislative and CTB Policy requirements in FY 2025. DRPT also considered whether any CTB policy revisions were necessary this year and identified none, as presented at the September 16, 2025 workshop.

**Recommendation:** Based on its analysis of the required information received from WMATA, DRPT recommends that the CTB take no enforcement actions against WMATA related to its FY 2025 compliance with the CTB Policy and legislative requirements. DRPT also recommends no changes to CTB policy.

**Action Required by CTB:** Approval of the attached resolution certifying that the CTB will take no enforcement actions against WMATA related to its FY 2025 compliance with the CTB Policy and legislative requirements.

**Options:** Approve, Deny or Defer.
