

Richmond Regional Mass Transit Study

- Adopted as a priority project by the Richmond MPO in October 2005
- Funding secured in August 2006
- DRPT offered support to conduct the study in October 2006
- DRPT/Richmond Regional Memorandum of Understanding was signed in October 2006

Study Components

- ❑ Concurrent study– GRTC Comprehensive Operations Analysis (COA)
 - Funded by DRPT and currently underway
 - Will examine current service area, routes, schedules and demographics and recommend improvements

- ❑ Richmond Regional Mass Transit Study will build on COA
 - Includes the entire Planning District
 - Will produce short-term (3 – 10 years) and long-term (10 - 25 years) plans of action
 - Will address all modes of public transportation and commuter services

Schedule

- Study task order and budget currently under review
- Notice to proceed in Nov/Dec 2006
- Study completion in 12–18 months
