Action: Motion Carried, Unanimously

Title: Change in Town Operating Status
Town of Broadway, Rockingham County,
From §33.1-79 to §33.1-82, Code of Virginia

WHEREAS, the Code of Virginia provides two operating authorities that govern the addition of streets to the secondary system of state highways maintained by the Virginia Department of Transportation -- §33.1-79 and §33.1-82, Code of Virginia, 1950, as amended;

WHEREAS, the Broadway Town Council, citing unprecedented growth resulting from land development and expansion of its network of streets, wishes to permanently change the statutory authority under which it operates and under which new streets are accepted for maintenance by the Commissioner as part of the secondary system of state highways; and,

WHEREAS, by proper resolution dated January 7, 2008, the Town Council formally petitioned the Commonwealth Transportation Board to approve a change in the Town's statutory operating authority from §33.1-79 to §33.1-82, Code of Virginia, 1950 as amended, which authorizes the Commissioner to accept new streets for maintenance pursuant thereto, provided the streets meet the standards prescribed.

NOW, THEREFORE, BE IT RESOLVED, the Commonwealth Transportation Board hereby approves the Town of Broadway's requested change in operational status, from §33.1-79 to §33.1-82, Code of Virginia, as amended.
